Through a robust network of connections with sea carriers and our strategically positioned Dar es salaam and Mombasa ports, we are able to deliver a fast, cost-efficient and reliable sea freight services. At TAHAFresh we work with selected quality carriers offering multiple shipping options, competitive transit times and maximized container availability. Our range of sea freight services include; door to door, port to port, full container load (FCL), less than container load (LCL), refrigerated containers and other services customized according to our customers' needs. A combination of our global partnerships, local expertise and dedicated staff make TAHAFresh a company of choice.

Trucking Services

TAHAFresh offers an unparalleled road service that ensures your freight reaches its destination with the utmost efficiency and speed. Our diverse fleet of trucks from dry goods to temperature controlled trucks as well as container carriers, we are confident to provide you with state of the art services to destination. We are strategically positioned to navigate your cargo by road throughout Eastern, Central and Southern Africa for both short and long haul transportation. Our dedicated team will find the right solution for you and deliver your goods safely to destination. With us, your goods are safe!

Clearing and Forwarding Services

Our highly efficient customs clearing and forwarding service is designed to take the complexity out of the customs process and ensure you comply with customs and other regulatory requirements when moving your goods across borders. When moving your goods across borders, we work to minimize risks by carefully managing the smooth transition of cargo from country to country. Our dedicated team of staff will serve as the first point of contact with both customs authorities and receiving customers to ensure the complete security of your goods. Based on our customers' product descriptions and our expertise, we use the right product codes, tariffs and trade regulations to avoid wrong clarifications to ensure our customers don't pay more than necessary or pay too little and risk delays and fines. When it comes to moving your cargo across borders, TAHAFresh gives you a smooth and hassle-free experience.

Insurance Services

Our goal is to ensure your cargo is protected against risks and any unfortunate circumstances during transportation. TAHAFresh insurance brokerage service is customized to meet our customers' insurance needs, whether insuring your assets, cargo, staff or an open policy coverage. The claim handling team provide our customers with prompt advice when a loss, damage or theft incident is reported. As a general rule in carriage contracts, compensation is bound by "limitation of liability". Our experienced insurance consultants will customize an insurance cover that matches customers' situation to obtain optimum compensation. At TAHAFresh, we make every effort to secure the maximum possible insurance coverage at cost-effective rates for our customers.
